

Poster Competition Information and Entry Criteria

The National Water Week Poster Competition is on again!

Primary School students are asked to create a poster reflecting water related issues which are important and relevant to them and their local area.

Teachers – this is a great activity for the classroom in the lead up to National Water Week. Last year '000s of poster entries were received from Victorian Primary Schools.

Poster entries are invited in four categories:

1. Prep / Foundation
2. Years 1 & 2
3. Years 3 & 4
4. Years 5 & 6

Kids - entries will be judged locally with winners in each category submitted for state judging.

- Great prizes can be won by both you and your school at the **local level** judging
- Prizes at the state level judging are:
 - \$500 cash for the first place recipient in each of the four categories
 - \$250 cash for the second place recipient in each of the four categories

Winners will be chosen using the following criteria:

- How well the poster conveys water related issues **relevant to your area** ie; inland school posters would not be focussed on ocean activities.
- How well it can be reproduced to promote National Water Week.
- Appearance: attractively displayed in colour.
- How good it looks from a distance
- Effective use of art materials.
- Originality of design or innovative concept.
- One entry per student.
- One student per poster.

Entry criteria

- **Poster MUST be A3 (30x40cm) in size**
- **Any** medium, including paper, can be used.
- **Any** art material can be used including paint, textas, coloured pencils or collage materials.
- An official entry form **must** be securely attached to the back of each poster.
- Entries must reach Westernport Water by **4pm Friday 2nd September 2016**.

Questions - contact Katrina Knight on (03) 5956 4175 or kknight@westernportwater.com.au

State winners and runner-ups will be presented during NWW activities in your region. Click here to view posters from previous years <http://vicwater.org.au/events-awards/national-water-week>
