About Westernport Water

Westernport Water is committed to building and maintaining a team of talented, enthusiastic people who foster a culture of inclusion and are as diverse as the community we serve. We share a belief that work is more rewarding when we are accepted and valued for our differences, not judged by them. We all have something to contribute, and it's this contribution that makes for a great work environment and fulfilling career.

What is a Water Industry Traineeship?

The Traineeship will give you the chance to gain new skills and enhance your knowledge of the water industry, with full-time paid work and regular training through a registered training organisation, with the aim of obtaining a Certificate II, III or IV in your field of expertise/interest which could include:

- Administration (Communications, Customer Service, Human Resources, IT, Finance)
- Environment & Water Quality
- Operations & Maintenance.

The traineeship includes:

- two years full-time work, paid in accordance with the Westernport Water Enterprise Agreement
- training both on the job and formal accredited training
- a mentor to support your ongoing learning
- all training expenses fully paid.

What training will I receive?

Formal training will be provided on a part time basis through a Registered Training Organisation. The remaining work days will be spent gaining hands on experience with Westernport Water, within your chosen field and with the opportunity to rotate through different business units.

Who is this traineeship for?

Aboriginal or Torres Strait Islander people who:

- want to learn more about the water industry
- have the ability to work as part of a multi skilled team to develop an understanding of how the organisation operates
- have good verbal and written communication skills along with well-developed computer skills
- are committed to completing a Certificate in their field of choice.
