## TERTIARY ENGINEERING SCHOLARSHIP PROGRAM

### Who are we?

Westernport Region Water Corporation (Westernport Water) is a statutory corporation responsible to the Victorian state government through the Minister for Water, The Hon. Peter Walsh.

Our core functions are to provide water and waste water services wherever economically, environmentally and socially practicable to properties and communities throughout our district. We service over 17,000 customers across an area of 300 square kilometres on Phillip Island and the mainland stretching from The Gurdies to Archies Creek.

### Why are we offering this scholarship?

The Westernport area is like so many other regional areas that has seen its brightest students leave to go to metropolitan areas for tertiary education and professional development.

This scholarship is aimed at those students that have a desire and commitment to return and undertake a professional career in the local area. We are keen to support our community and help local students.

### Are you eligible for our scholarship?

Is your primary place of residence within the boundaries of Bass Coast Shire or South Gippsland Shire?

Have you successfully completed your VCE or equivalent?

Have you been accepted and enrolled to commence full time studies at an Australian University in 2012?

Are you studying an **engineering discipline**? This includes civil, chemical, electrical or mechanical.

If you answered **yes** to all of the above, then a Tertiary Scholarship Program with Westernport Water may be for you. Our scholarship consists of 3 components:

1. \$1,000 per semester towards books & other study material for each year of tertiary study.
2. Vacation employment with Westernport Water for a minimum of 12 weeks during each year of study (approximate value \$7,500).
3. One year's employment with Westernport Water upon the successful completion of studies (approximate value \$45,000).

**So, how do you apply?** You can either collect an application form from our office (2 Boys Home Road, Newhaven), from this link - [www.westernportwater.com.au/Opportunities/Careersscholarships/](http://www.westernportwater.com.au/Opportunities/Careersscholarships/) or email [mtodd@westernportwater.com.au](mailto:mtodd@westernportwater.com.au)
