PLUMBER'S DECLARATION

- I have advised the owner that Access Charges will apply from the first day of the next billing period. (Jul/Oct/Jan/Apr)

***Note: Where Class A Recycled Water is connected (Dual pipe system), the PIC will undertake three mandatory inspections at the following stages:**

- Main to Meter stage
- Meter to Rough-in stage
- Final Inspection stage

***It is the plumbers responsibility to contact the PIC on (03) 8792 8221 to arrange for these inspections.** The fee of \$564.35 includes the PIC Inspection Fee of \$323.40 (inc GST)

- Separate meters are to be used for the dual pipe system and installed within 2 working days of pick-up from depot.
Bridging pipes are not acceptable and constitute water theft
- Any tapping excavation deeper than 1.5 metres MUST be timber shored or benched

In lodging this application, the applicant declares that they are authorised by the owner or occupier to make this application on their behalf and agree to the Conditions of Connection.
