Managing Director	Executive Team	15/03/2024	I agreed to present to a group of Sri Lankan water professionals on a DFAT sponsored study tour as managed by Monash University. On 2 Feb 2024 Monash Uni offered to pay me \$700 for the event, which I declined on 4 Feb 2024. The presentation was on 12 Feb 2024. Following the presentation, on 26 Feb 2024 (approx as I was not in the office for a number of days in the preceding week), a commemorative plaque from Monash University was delivered to Westernport Water, which I have accepted on behalf of WPW, and it will remain at WPW.	\$100	Associate Professor, Monash University	Monash University	Tertiary Education	Accepted	It is an acknowledgement of WPW's support of the DFAT program in this instance, in way of ceremonial and symbolic gift to WPW. I do not believe this bring WPW into disrepute.	Board Chair

Managing Director	Executive Team	21/01/2024	Attendance to WaterAid ball as a WaterAid CEO's guest (as I have been invited to assist with fundraising)	\$200	CEO, WaterAid	Water Aid	Water sector not-for-profit	Accepted	Particularly given the Women in Leadership Live Auction included the Minister for Water, I believe this affords a benefit to WPW (reputationally), and is aligned with my role as MD of WPW.	Board Chair
Governance Support Officer	Strategy, Performance and Governance	06/07/2023	DocuSign Annual Event	\$100	Client Relations Manager	DocuSign	Private Enterprise	Declined	Invitation only - declined.	Not Applicable - Declined
Managing Director	Executive Team	04/07/2023	Invitation to the 24 August 2023 WaterAid Victoria Gala Ball Cocktail Launch	\$200	National Events Manager	Water Aid	Charity established by Water Sector	Declined	Invitation only - declined.	Acting Board Chair
Managing Director	Executive Team	04/07/2023	Ticket to Monash Law Gala Dinner	\$160	Dean, Monash Law	Monash University	Private Enterprise	Accepted	The Managing Director (MD) also holds position as the Chair of the not-for-profit South-East Monash Legal Services, which Monash Law has an affiliation with (partner). There is no relationship between Westernport Water and the offeror. The speaker on the evening will be interesting to listen to. Most of the benefit is to the not-for-profit SMLS, as Chair, the MD can continue to build relationships with Monash University, one of SMLS' partners.	Board Chair
